

Jesse Divnich

Director of Analyst Services

As the Director of Analyst Services, Jesse Divnich is responsible for the development and execution of new products and services for the financial sector.

Prior to joining EEDAR in 2007, Jesse operated as an independent industry consultant and analyst for numerous private firms and institutions with strong financial interests in the interactive entertainment sector.

In addition to contributing to the development of new product lines for EEDAR in the areas of due diligence, risk management and analysis of industry trends, Jesse makes regular appearances in media articles where he provides analysis on current and emerging industry trends.

Mr. Divnich is most known for his appearances on CNN Money, The Street, Reuters, Market Watch, GameSpot, GameDaily, and his own "Divnich Tapes" on Gamasutra.
